# President's Report

## Welcome to Spring

I use the word “Spring” with trepidation. The start of spring has been as bad as any winters I can recall, cold and wet. Notwithstanding the weather, the camaraderie is always warm at the Frankston RSL as attested by those veterans and war widows turning up to the coffee mornings on Wednesdays and Fridays supplied by the Sub-Branch.

Our wellbeing hub continues to grow with the amount of interviews and assistance that is given to veterans and families, and as such we were proud on Remembrance Day to officially rename the Hub, the “Dr. Akeroyd Veterans and Families Wellbeing Hub”. The details of this ceremony are outlined on pages 12, 14, 15.

While we are pleased to see veterans who are in need of either compensation, wellbeing or just some advice, we would dearly like to hear from young veterans (under 70) to advise us older veterans of ways in which we can serve you better. We as a committee are always open to suggestions, especially if it can involve veterans who are members of the club, or just as importantly those who aren't members of the RSL. We do not distinguish between service members and non RSL service members. All are entitled to the same from the RSL.

Another feature of our Wellbeing department has been the bus outings, enjoyed by all, except for maybe the boat trip when it crashed into the landing whilst docking. Some minor injuries but all are up and about.

As I mentioned in the previous Morse Code we have a lot of staff changes but the managerial staff are certainly settling into the routine. There have been some changes around the club, and I hope that all members respect the changes currently in society and in life. We all are aware of price increases at the bowser, at the supermarket or the green grocers, and so it is within the business. Yes we are here to serve our veterans, but we can't be expected to do it at a loss.

Those who come to the club will notice a vehicle parked at the front covered in poppies. This is our Wellbeing vehicle driven by Stellar. If you are in need of transportation to hospital or medical appointments please ring the club, and if available we will assist. Prior notice would be appreciated.

A big thank you to Peter and his band of volunteer helpers who make themselves available during the fortnight of the Poppy Appeal. We thank everyone for their kind donations as the funds go to the wellbeing of veterans, whether through our accounts or those at ANZAC House.

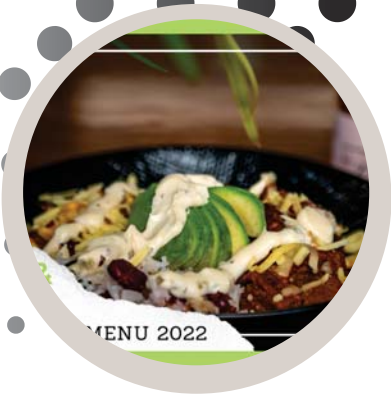

In closing, I wish everyone a very Merry Christmas, Happy New Year and look forward to another successful year in 2023.

Yours Aye,  
Kevin Hillier OAM

President  
Frankston RSL Sub Branch Inc.

# REMEMBRANCE DAY 2022

On the 11th day of the 11th month, we honour and remember the sacrifices made by selfless Australians who fought for our freedom.

Remembrance Day 2022 was held at the Frankston RSL, and over 200 people attended the service. We thank everybody involved from the Frankston RSL team in putting the service together and making it a successful and memorable event.

We were honoured to have the Mayor of Frankston Council, Councillor Nathan Conroy giving the opening address, and we were particularly pleased to have the attendance of a representative for Peta Murphy, Federal Member for Dunkley, and Paul Edbrooke, State Member for Frankston. Mornington Legacy also attended with Barry Smith giving the Remembrance Day address, along with Adam Lawson, Chief of Veterans Services, RSL Victoria, members of Airforce Cadets who assisted with Catafalque Party and helped laying wreaths, and Reverend Glen Macrae from St. Lukes Church Frankston for his insightful and moving address.

The commemorative service was particularly special as we officially renamed the Veterans and Families Wellbeing Hub, in honour of Dr. John Finch Akeroyd AM., MBE., ED., MB., BS., FRACP., FACRM., 1909-1982 - former President of the Frankston RSL for 18 years, who dedicated much of his life to support veterans and the Returned Services League of Australia, as well as the Frankston community.

In addition, we received a donation of a WW1 medallion, from the family of WW1 Veteran, William Mark Hanton, who also was a past President of the Frankston RSL. We are grateful to the Hanton family for their precious and generous donation, and we will do the medallion justice by preserving it and displaying it with our Memorabilia at the club.

It was wonderful to have our veterans and so many community groups, associations, schools, volunteers, Anzac House, and local council representatives attend and share this very honourable day with us. Thank you to our Photographer Steve Brown for capturing the essence of the day, and his amazing images that are hosted on our website [www.frankstonrsl.com/commemorativeservices](http://www.frankstonrsl.com/commemorativeservices). We are very appreciative of everybody who purchased Poppy Appeal pins, as the valuable contribution will go a long way to helping veterans and their families in need. The proceedings ended with a light lunch and refreshments that were enjoyed by all.

*Lest we forget*

---

**\$55,000**

2022 Remembrance Day Poppy Appeal funds counted to date.  
The final amount raised by our Sub-Branch will be communicated once all collection tins have been received. Valuable funds are raised to aid our Veterans and their families who find themselves in necessitous circumstances.

Thank you!

# WE WILL REMEMBER THEM

## RENAMING THE FRANKSTON RSL VETERANS AND FAMILIES WELLBEING HUB

On Remembrance Day, The Frankston RSL Sub branch, in conjunction with Veteran Central and ANZAC House, nominated to name the Veterans and Families Wellbeing Hub, located at the Frankston RSL, after the former President of the Frankston RSL Sub Branch - Dr. John Finch Akeroyd, AM., MBE., ED., MB., BS., FRACP., FACRM., 1909-1982.

*Dr Akeroyd was a former President of the Frankston RSL for 18 years, who dedicated much of his life to supporting veterans and the Returned Services League of Australia as well as the community.*

Dr. John Finch Akeroyd AM., MBE., ED., MB., BS., FRACP., FACRM., 1909-1982, dedicated much of his life to support veterans and the Returned Services League of Australia. He held a myriad of positions at the Frankston Sub-branch and Victorian Branch throughout the years including President Frankston RSL 1950-1968, Vice President Victorian Branch 1964-1968, 1975-1979 and Senior Vice President 1975-1979. He was also the recipient of the Gold Badge – the RSL’s highest award for rendering outstanding service to the League, ex-service personnel, or their dependants.

*He was known to some as the man with 21 letters after his name and his association with community groups and organisations was seemingly endless.*

As a young doctor he had a practice in Frankston before going to war. He was a member of 46th Battalion (Brighton) and when the unit was formed, he became Regiment Medical Officer and was transferred to 22nd Battalion, with which he served until being captured in Rabaul at the fall of New Guinea. He could have escaped but he chose to stay with the wounded and set up a hospital in the jungle until he was captured by the Japanese. In 1942 he was shipped to Japan and remained a prisoner of war for 4.5 years.

# Dedicated

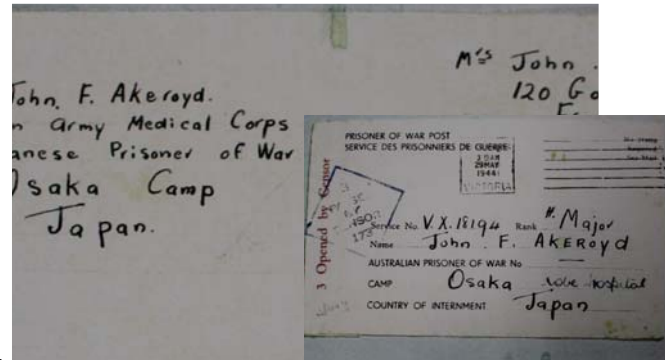

He was also a member of Legacy and was on Frankston High School Advisory Council and a life governor of Frankston Hospital. He was a member of the War Veterans' Homes Trust and was awarded the MBE for his devotion to the war troops, since he could have returned to Australia being a medical officer, but would not leave his men. He was also a member of the board of management at Mt Eliza Geriatric Centre and for many years he was Frankston municipality's medical officer of health.

Dr. Akeroyd's legacy speaks volumes and the decision to rename the Veterans and Families Hub in his honour was unanimous.

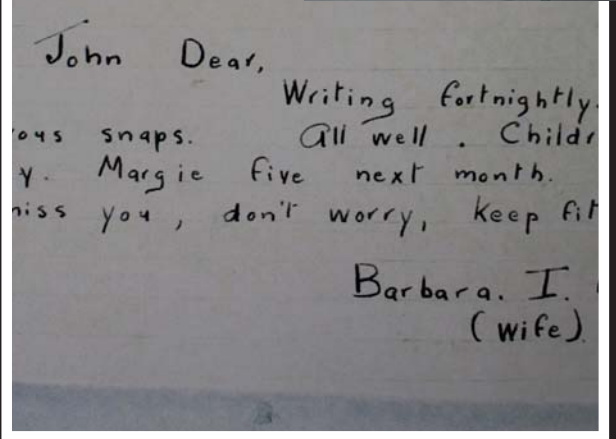

## Selfless & Honourable

He returned home with tuberculosis and tropical ulcers, weighing only 7 stone from his former 18 stone. He worked at the Heidelberg Repatriation Hospital for two years, then returned to his practice in Frankston. He was a foundation member of Menzies Home for Children and was on the Committee of Management for 31 years.

## Long lost medallion William Mark Hanton

On Remembrance Day, the Frankston RSL Sub-Branch was fortunate to receive a special donation from the family of a WW1 Veteran. The Hanton family donated a WW1 medallion for service that was awarded to William Mark Hanton by the citizens of Frankston on his return from the war. The medallion was stolen during the 1950's, only to have been spotted on eBay in 2019 by a family member - who is a memorabilia collector and purchased it back for the family. The precious and generous donation will be displayed with the Memorabilia collection at the Frankston RSL.

## KARINGAL HUB SERVICE

Thank you Peter Kerley, Appeals Coordinator and Frankston RSL Committee Member, for being an instrumental driving force in coordinating the Remembrance Day (and Anzac Day) Appeal and Volunteers each year, as well as conducting the Karingal Hub Remembrance Day Service.

*Lest we forget*

## REMEMBRANCE DAY 101 - BADEN POWELL PARK JOEY SCOUTS

Kevin Tester, Frankston RSL Committee Member went to the Scouts Hall on Remembrance Day and chatted to the Baden Powell Park Joey Scouts about Remembrance Day and the significance of Poppies. In turn, Kevin received a hand-printed wreath made by the scouts

The transcending of stories helps bring facts to life and makes the abstract concrete, by giving it meaning and a place in our conscience. Storytelling is in essence, the fundamental means of meaning making! We hope the Joey's found the session worthwhile and can now understand the significance of Remembrance Day a little better.

## POPPY APPEALS

Thanks to all the amazing volunteers who volunteer at our Poppy Appeals - members of the club, committee members, and staff. Additionally, thank you to everybody who has purchased a Poppy or Appeals' Merchandise. The valuable funds raised go a long way to helping Veterans in need.

Clockwise: Mata, Jacinta, Terry from our FOH and Bar Staff. Eric from our Wellbeing Mobility Team, and Peter, Appeals Coordinator and Committee member, who does an incredible job every year.

We are fortunate to now have the lettering of “Lest We Forget” mounted on the façade of the club.

The lettering was originally part of a memorial wall at the Frankston Council Chambers. Subsequently, when the new war memorial was built in 2016 at Beauty Park, Frankston, there was nowhere to place the letters and were therefore, put away in storage.

We are thrilled to have them on display at the venue, where they will remain for a very long time. Thank you to Graham from our Memorabilia Team and the Committee for making this happen.

## BATTLE OF BERSHEEBA

On the 31st of October we remember, and honour, all involved in the battle of Beersheba - The Charge of the 4th Light Horse, 1917, in memory of the Australians who fought bravely to preserve our freedoms.

These eight mates have 153 years of service between them and are some of the former members of the Royal Australian Armoured Corps, 4th/19th Prince of Wales' Light Horse Regiment (RAAC) serving from 1960's-90's who meet and 'lunch' monthly at the Frankston RSL - following a tradition started by the 'old boys' of the original 4th Light Horse Regiment 1917, that met once a month at the Regiment's Sergeants Mess until there were no more.

This year marked the 105th Anniversary of the battle. Beersheba was a heavily fortified town 43 kilometres from the Turkish bastion of Gaza, and it was the scene of an historic charge by the 4th Light Horse Brigade.

### ANZAC COVE, GALLIPOLI

John & Joy made the trip to Gallipoli & Malaya to place poppies at the graves of our fallen heroes who fought selflessly and dutifully for our freedoms

### Malaya, Singapore

John and Joy M, long-time members of the Frankston RSL, took 400 poppies on their recent travels to Turkey and Singapore, and laid them at the graves of fallen heroes at both Anzac Cove, Gallipoli, and in Malaya, Singapore. This random acts of kindness and respect to honour the fallen Australian, Commonwealth and Allied veterans who served in defence of their nation, is commendable.

They will be heading out to the Memorial in Saba, Borneo in early 2023 to lay more poppies for the fallen Australian heroes who gave up so much and so selflessly for peace and freedom. Joy's father's ashes have also been scattered in Kuching in Sarawak, where he was part of the unit to liberate the Island of Borneo. Thank you, John and Joy, for this beautiful gesture of solidarity.

## Welfare Mobility Team

The Frankston RSL Welfare Mobility Team is nothing short of extraordinary! We are thankful for our driven and generous team of volunteers whose primary objective is to help those in need, and more often than not give up their weekends and family time to help out! Some of the recent 'feel-good' moments include:

Our Welfare and Wellbeing team was able to help a veteran at RSL Vasey Care in Frankston South with a repurposed fridge, as his had broken down. Our awesome volunteers gave up their Sunday to collect and drop off the fridge for the veteran.

Donations welcomed:  
mobility aids, white goods,  
electrical goods, furniture

Volunteers were also able to help out a veteran at RSL Vasey with dining table and chairs. They have been put to great use, as the veteran had been eating his meals on a chair! He will now be able to have friends around for meals if he wants. And one act of kindness was rewarded with another, as the veteran himself donated a TV that will be passed on to another veteran or family member.

## Reduce, Reuse, Recycle

We love this motto and aim to repurpose as much as we can at the Frankston RSL. We also love partnering up with Community Groups and Charities and doing what we can.

These 'hand-crafted' Santa Sacks have been painstakingly remodelled by hand from our calico banking bags into these stunning Santa Sacks. The 100 or so sacks were dropped off to Backpacks 4 VIC Kids - an Australian charity providing essential material aid to displaced children. 45,000 Australian children are in an out of home care placement such as foster care and around 4000 are placed in homes each year in Victoria alone.

Beryl Leek is part of the Frankston RSL Women's Auxiliary and volunteers her free time to help with the project. She has been invaluable and instrumental with the design and sewing of these wonderful Santa sacks over the past years.

Our staff have been saving the bags throughout the year and they have been washed, dried, ironed, a cord fed through, and a hand-crafted cloth Christmas design has been cut out and individually sewn onto each sack.

Three cheers to Beryl, all the staff involved, and an even bigger round of applause to Back Packs For Victorian Kids (B4VK).

# MAKING CHANGES THAT COUNT

With the increase in cost-of-living expenses and with rental payments taking a large part of his pension, a veteran needed an alternative lifestyle to assist in maintaining his financial stability.

In partnership with the Frankston RSL Wellbeing Advocates, the veteran was relocated from his three bedroom rental property into an independent living studio unit at Vasey RSL Care Frankston South. This change lowered his rental payments and had the added benefit of providing a sense of community as he is able to socialise with other veterans in the shared community space.

To accommodate his dog Ricky, the veteran's best friend and constant companion, the sub-branch was able to assist with the building of a fence in the backyard of his unit.

Moving to a smaller property meant that extra storage was required for items that didn't fit within the unit. Frankston RSL was able to provide a shed, purchased from Bunnings, and with the help of his new neighbours, the veteran was able to erect it in his backyard and store his excess tools and furniture.

FRSL Compensation Advocates have also assisted the veteran with pension and health submissions to DVA. While his case is being assessed, the veteran's wellbeing continues to improve as does his positive outlook for the future.

## IMPROVING VETERAN'S LIFESTYLE

Jim enjoyed service life so much that when he retired from the police force he joined the Army, and trained with the Special Forces (Green Beret). On graduating he gained a commission as a Lieutenant and served with the Special Forces in Vietnam in 1971.

On discharge, Jim joined the Fire Brigade until eventually joining private business enterprises until his retirement.

Jim was a member of Frankston RSL from 1962 when it was located in Davey Street, until the early 1990's when he moved interstate for his work. He was a committee member of the Frankston RSL and a President (Chairman) of the Frankston RSL Golf Club. In this role he introduced the Golf Section Constitution and Rules, doubled the Section membership, and redesigned the 18 hole putting green and undercover BBQ area.

Now, in his mid-80s, Jim suffers from severe hearing loss. Recently the Frankston RSL was able to assist him with the purchase of an iPad with speech to text capability.

This has provided him with immeasurable assistance, as he can now communicate with family, friends, and health professionals, as well as providing him with social contact, and improved quality of conversations - things that he couldn't do previously.

Things we take for granted have now become easier for Jim; watching TV was impossible without captioning but now he can place the iPad near the TV and he is able to read the captions on his iPad regardless of whether the program has captioning or not.

Jim's contribution throughout the years to both defence and community is highly commendable. As a result of his service, we continue to openly support Jim in every endeavour to improve his lifestyle.

*Jim Saxe was a member of the Victorian Police Force in 1955 when he was called up for compulsory National Service. Choosing to join the RAAF, Jim completed his 176 days of compulsory service and remained on reserve for 5 years.*

## REGAINING INDEPENDENCE

John Boyer joined the RAN in 1945 and trained as a Marine Engineer (Stoker), obtaining a rank of Leading Hand. His first trip overseas was to serve with the Occupational Forces in Japan after World War 2.

Between 1950 and 1954 John served for periods on HMAS Bataan and HMAS Arunta - completing tours of duty in Korea during the Korean War.

*During his 15 years service John returned overseas on many occasions and on one trip aboard the HMAS Bataan he was involved in fighting with a fleet of pirate ships in the South China Sea.*

For this service, he received his 'Australian War Service Medals', the 'United Nations Peace Medal', and more recently John was the recipient of both the 'Ambassador For Peace Medal' and the 'Deed of Appreciation Medal' from the Korean Government.

More recently due to failing health, John had his right leg amputated and as a result surrendered his Driver's Licence. Without his licence he was feeling isolated and unable to socialise and communicate. He therefore took the necessary steps to regain his licence, and after a false start he was successful in

obtaining a restricted Driver's Licence. John took delivery of a new car with modifications to suit his disability in mid-November. He is looking forward to being able to, once again, meet-up with family and friends without relying on other (sometimes unreliable) modes of transport.

"It was our pleasure to host John to a lunch at the Frankston RSL to acknowledge the receipt of the 'Deed of Appreciation Medal' from the Korean Government, and to show our appreciation for his service".

"At 94 years of age, John is blessed with a positive attitude and never complains. We are proud to have him as a member of our "family", said Tony Davis, Veterans Wellbeing Advocate, Frankston RSL.

# WELCOME TO OUR NEWEST MEMBER

*Help us welcome Keith Hearne, our newest Frankston RSL Member! And what an honour it is for us to have him in our midst.*

*In September, Keith was made Honorary Life Member of the Brisbane 31st Infantry Battalion Association for his active service during WWII and for his post war devotion to the 2/31st Battalion's achievements and those who served. Well done Keith and thank you for all that you have done for the Australian Service.*

## HAPPY 92nd BIRTHDAY KEN!

92 HIP HIP HOOORAYS for Kenneth William Moore.

Ken was an Able Seaman (36385) during the Korean War, aboard the HMAS Bataan and HMAS Murchison, serving 558 days between 27 June 1950 to 2 June 1954.

Thank you for your service Ken. We are all very proud and honoured for your commitment to the Royal Australian Navy.

## PHOEBE TURNED 103!

Our dearest Phoebe celebrated her birthday recently, and as you never ask a lady how old she is we will leave it at that - but needless to say it was a significant milestone.

Here she is with some of her most esteemed fans, the Frankston RSL Women's Auxiliary, who helped her celebrate at the Club with a lovely morning tea and an enviable birthday cake at that.

Phoebe served in the AWAS - Australian Women Army Service, Signals Division, 1942-1944.

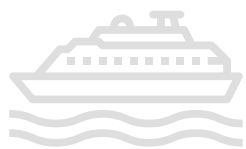

## Fort Queenscliff Tour & Ferry Trip

So successful was the uptake on this Wellbeing excursion in early September to Queenscliff, for Veterans and their partners, that we had to hire a bigger bus to accommodate the whopping intake of 43 participants.

The outing included bus and ferry to Queenscliff for an action-packed day with morning tea onboard the ferry before visiting the historic Fort Queenscliff, then lunch at Princess Park and coffee and tea at the Pier.

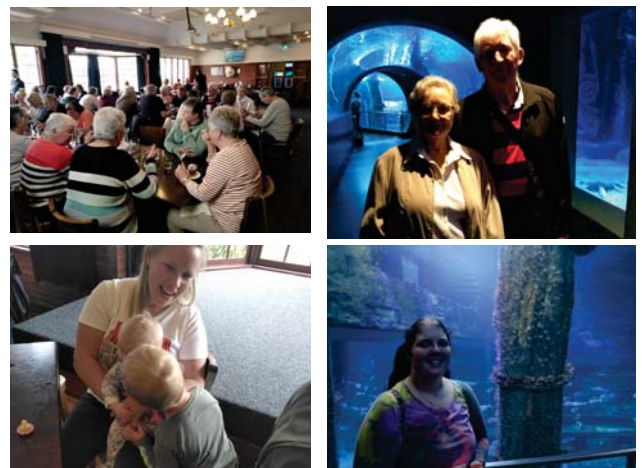

It's always such a spectacular ferry trip back to Sorrento and a HUGE thank you to our excellent bus-driver, Simon.

## Aquarium Excursion & Lunch

On the 25th October, 45 veterans and their families enjoyed a day out at Sea Life Aquarium in Melbourne. It was great to have younger family members attend with their grandparents and aunts and uncles on this excursion.

Our youngest participants were the happiest little baby Remi, and 3 year old Jed, who had a ball. Jed is still talking about the sharks and penguins! The group then enjoyed a long lazy lunch at the historic Caulfield RSL before heading home.

## Veterans Health Week

And that's a wrap from Veterans Health Week 2022 and what a great way to celebrate than with a Lunch and an Eat Well Presentation at the Frankston RSL.

56 veterans and partners came for lunch and a presentation on Healthy Eating, by Frankston Community Health Dietician.

Our Executive Chef and his Team prepared a delectable menu for the event that everybody loved.

Special thanks to Lucie, Dietitian from Frankston Community Health, for her healthy eating tips.

If you are wanting some inspiration, head to [www.eatforhealth.gov.au](http://www.eatforhealth.gov.au) for healthy recipe ideas and resources.

## C2A

Our gardening and grounds maintenance team do an incredible job, working hard mowing, weeding, brush cutting, and tidying the gardens and surrounds. What many may not know is that the team is employed through Connecting 2 Australia (C2A), a not-for-profit organisation helping adults who live with a disability engage in work and training.

For nearly 12 years the Frankston RSL have supported C2A in their work to connect those in our community that are not afforded the opportunity to work as easily as most, due to living with a physical or mental disability.

"It is a great opportunity for our team to be able to service the Frankston RSL and the team really enjoy coming out. We are grateful for the opportunity to place our clients through Supported Employment as well as skills training and to help with job seeking," said Taylor Heuser, Seaford Hub, Business Manager.

# THE PERPETUAL PEOPLE CO

Spring is definitely in the air, and this Spring the Frankston RSL launched a new Community Garden project in conjunction with Frankston Council and The Perpetual People Co.

A section of the rear garden will soon be transformed by budding horticulturalists into a thriving botanical landscape, including a rock garden with succulents, planter boxes, a mini rainforest, a pergola shaded structure as well as a greenhouse poly-tunnel and pathway.

The Frankston RSL is proudly supporting the community garden and is thrilled to be creating employment and social pathways for NDIS participants.

Carlos Swinton-Lee, Managing Director said “ We installed eight large fruit boxes and received a tonne of organic soil delivered from Daisys who very kindly donated half of the soil to help. Kennards Hire donated a Kanger digger to move the soil into the boxes and we went to work! We are very happy with the progress to date and will look to begin planting herbs and vegetables by mid-December”.

PPC have a scheduled plan to have the garden completely ready by 1st February and then participants` from the NDIS will be on site to work and to learn how to become more sustainable by growing their own vegies. A small garden goes a long way and PPC are grateful for the opportunity to work with the Frankston RSL and Frankston City Council across the project.

## WHAT IS A COMMUNITY GARDEN?

A community garden is more than just a lovely place to stop and stare. We believe that at it's core, the gardens are able to promote a sense of community whilst providing opportunities for physical activity & the sharing of fresh produce. It's healthy for the body and the mind, it's an opportunity to get involved, improve wellbeing and positively impact the environment. All the while, it's fun!

We recently caught up with our Community Support Partner WALLARA, at the stunning Sages Cottage Farm and chatted to CEO Phil Hayes-Brown

Set in a historical property, dating back to the 1850's and located in Baxter (just off the Moorooduc Highway), it is an absolute must see and do for a coffee and lunch catch-up or for little ones to get some wholesome outdoor time 'meeting' farm animals.

Most importantly the farm and café create meaningful and rewarding employment pathways for Wallara clients, and the Frankston RSL proudly supports this wonderful not-for-profit organisation and is in awe of everything they do in making a difference to the lives of community members. The property boasts a beautiful garden and pond, with the jewel of the crown being the stunning Harvest Café, set in a historical barn - decked with fairy lights and a quaint gift corner.

The kitchen serves sensational breakfast/brunch/lunch dishes that you would find in Main Street eateries - deliciously crafted by Head Chef Dave who utilises herbs and vegies propagated in the farm's horticulture poly tunnel.

We are greatly indebted to the generous support offered through the Frankston RSL Community Grants Program”, said CEO Phil Hayes-Brown. “It is providing Wallara and Sage's Cottage Farm with a unique and rewarding opportunity to make a difference to the lives of community members - providing them with a sense of purpose, an opportunity to exercise their independence through meaningful employment as well as contribute to the café and farm's ability to be self sustainable with it's offering of fresh food”.

Theodora's Cheerful Givers serve around 400 food hampers each week of the year and provide over 1000 pre-cooked frozen meals. This is made possible by the generous donations of kind hearted individuals, organisations and local businesses. ## Mums Supporting Families In Need

\$1,000 was donated to Mums Supporting Families In Need (MSFIN) by the Women's Auxiliary. The Women's Auxiliary tirelessly fundraise - giving back to the Community, local Charities, and Veterans and their families. They selflessly dedicate hours of work to help those less fortunate. They say the joy is in the giving and it's all the more worthwhile when it goes to such life changing organisations.

MSFIN is a locally based Seaford charity that supports our community's most vulnerable families. "Mums Supporting Families In Need was started with a big heart and a simple idea. With so many families doing it tough, now more than ever, no child or family should go without the essentials.

## 'Share the Dignity'

Recently the Frankston branch of the Partners of Veterans Association (PVA) put out the call for hand-bags and toiletries to donate to the "It's in the bag" campaign by Share the Dignity. As a result, PVA Frankston were able to donate a whopping 66 hand-bags to those in need. These were dropped off at a Bunnings collection point in November. Well done PVA and to all who donated!

# WELFARE UPDATE

## July-September 2022

Our wellbeing team has been very busy with the provision of services and activities to Veterans and their families, from bus trips to managing queries about social activities, food vouchers to transport options, aged care information, or just to have a chat. Our Wellbeing Team was available to assist in 107 calls during July to September. This is almost double the number of Wellbeing Queries than last quarter, which kept our Wellbeing Team in demand. Additionally, the team was kept busy helping people complete their \$250 Power Savings Bonus applications:  
[www.compare.engery.vic.gov.au](http://www.compare.engery.vic.gov.au)

## Wellbeing Queries by age group

## Wellbeing Queries by Category-Total 107

Income and finance	18
Social Support and Connection	73
Recognition and respect	14
Health	2

## Lawns

109 Lawns were mowed during this period.

## Wellbeing Bus Trips

Regular bus-trips continued to a variety of places. From July to September, 120 people attended 18 bus trips to places like Seymour, Dandenongs, and Bunyip. That's an 85% increase in attendees from last quarter! We welcome all suggestions for future outings.

## Veterans and Partners Outings

Frankston RSL have hosted some excellent day-trips this quarter to the Melbourne Aquarium and Fort Queenscliff Tour with SeaRoad Ferries. There are more activities to come, so keep an eye out on social media or our flyers at Reception.

# SUB-SECTIONS

## Vietnam Veterans Association

A Sausage Sizzle was held at Bunnings and with great help from the P.V.A. ladies. It was incredibly successful, thanks largely to the introduction of credit card payment facilities, that significantly improved sales.

Opportunities to socialise and beat isolation have proven to be very popular with the veterans where they regularly attend weekly coffee group catch-ups meeting 9AM Tuesday mornings at the Frankston Naval Club and 10AM Friday mornings at the Frankston RSL where complimentary coffee and cake is provided.

October saw our wanderers head off to Creswick for a week. While there was threat of potential flooding as the Rangers stopped by to warn the men on the first night but thankfully the trip was devoid of natural disasters and a good time was had by all those who attended.

Remembrance Day was held inside the RSL this year due to bad weather. It was great to see a large turn up from our members and I would like to thank the RSL for doing such a fine job on the day.

In the middle of November some of the men are catching the train to Melbourne and then on to Maldon to go on the steam train. And at the end of November, we are having a BBQ at the navy club, we have invited other groups such as the Women's Auxiliary and P.V.A. along for this day.

December will have us finish with a Christmas dinner after our usual meeting and we will then have a break until February. The February meeting will be our AGM and hopefully will be well attended

Any Veteran or partner is more than welcome to come along to a meeting

## Frankston Legacy Widows Club

As with all groups, things are beginning to get busy and our ladies are enjoying the fact that we are able to be out and about.

A large group of Legacy ladies got together from all over the Peninsula at the Rye Hotel for a Spring Carnival lunch. There was lots of chatter and laughter as people caught up. Our Fashion in the Fields winner was certainly pleased with her bottle of bubbles and there were a lot of very happy raffle prize winners.

The group attended the Shrine of Remembrance Service in town followed by High Tea at the Park Hyatt, hosted by Melbourne Legacy. A much anticipated event and enjoyed by all.

The Legacy Christmas Concert was held at Melbourne Town Hall in early December.

Plans are being put together for the final meeting of the year which will be the Christmas breakup party. Get in touch to find out more.

# The Women's Auxiliary

In September the auxiliary organised an afternoon tea with our beautiful member, Phoebe Parker, to celebrate her 103rd birthday. Phoebe has been a member for several years and has assisted with fund raising activities and making craft items for our trade table. Phoebe served in The Australian Women's Army Service, Signals Division, 1942 – 1944.

In October the Auxiliaries from the Mornington Peninsula (Rye, Rosebud, Dromana/Redhill) met for lunch at the Frankston RSL. The auxiliary meets regularly, sharing a variety of ideas, support, and friendship. The Frankston RSL was praised for its hospitality and the quality of food by ladies from the other Auxiliaries. Rye RSL will hold a 70th birthday in November and the Mornington auxiliary will join them. The Frankston RSL Women's Auxiliary was formed in 1928.

# Partners of Veterans Australia

## Supporting Partners and Families of Veterans

The Partners of Veterans Association of Victoria, Frankston Branch offers, Friendship, Support, Information, and Understanding to all Partners of Veterans and their Families.

The Frankston Branch of P.V.A. has been very busy organising trips for our members and guest speakers for our meetings. We are having a member from Victoria Police Community Safety give us a talk in November and are also organising a member of the Bee Keeping Association of Victoria give us a talk in February on bees and how to keep them and the important role they play in our environment. We are looking forward to both these events.

Our members are going on a trip to the Melbourne zoo for a day and also to Echuca for three days in November. We are a very busy social and welfare group and would love for anyone who is a partner of a veteran to come join us.

Following the passing of Queen Elizabeth II members from our group visited Government House where we signed the Condolence Book and laid flowers. We went through the special room that had been set up to commemorate the Queen's visits to Australia. This was a very moving experience and we were all glad we made the trip.

## SHARE THE Dignity IT'S IN THE BAG

Our branch is supporting the wonderful cause Handbags For Charity – Share The Dignity. We collected used handbags that were still in good condition and packed them with key toiletries and essentials ready to donate to the charity. Cheryl Myers, State President of P.V.A., did an excellent job organising it all. It was a very productive afternoon and we all enjoyed the teamwork.

# Billiards & Snooker

## CLUB BILLIARDS CHAMPIONSHIPS

The Club Champion and Norm Smith Handicap competitions are well underway. Ian Gilbee and Brett Porter loom large in the Championship, but it's anyone's guess in the Handicap. President John van Zanden is in career best form with Ron Phillips & Terry Woodhouse also in the mix. Whilst Ian Gilbee & Brett are still in contention, they will need everything going right to get past the out markers. Both comps should be completed by end of November.

## PENNANT COMPETITION RESULTS

Results to the end of October as follows: Monday night Victorian Billiards & Snooker Association. Julie Watson's B Grade Billiard team has found it very tough going against some good opposition, and are yet to have a win. But, they are enjoying the challenge and visiting never before visited Clubs along the way.

Phil Roost's C Snooker team is going great guns, as expected, and will likely finish 2nd on the ladder and contest the flag. However, they have a tough hurdle to overcome against Mulgrave. I'm sure they will triumph once the chips are down.

Bill Lindsay's Tuesday night Southern Billiard team are sitting atop the ladder with all his players contributing equally well. Finals commence on 15th November and big things are expected.

## SENSATIONAL NEWS!!

Terry Woodhouse's Over 55's Gold team on Tuesdays has taken off the premiership in a very exciting final at Hampton. Alan Clews held his nerve in a deciding frame of snooker to clinch victory. The other team members were John van Zanden, David Harder, Ron Phillips & Arthur Holmes. Congratulations team.

Ian Gilbee's Green team finished 3rd, knocked out in the Preliminary Final by our Gold team, unfortunately. In the Thursday night RSL Billiards competition, John van Zanden's Hawks sit in a very congested bunch mid table with just 2 rounds to go. The last few rounds will sort the chaff from the wheat. Julie Watson's Eagles are well off the pace.

The Section is always keen to accommodate new players, so if you are interested in anything to do with snooker or billiards at Frankston RSL, please get in touch. Juniors and ladies are very welcome. Coaching can be provided free of charge.

# Pipes & Drums

We are seeing our playing engagements starting to build and we recently performed at a large private function in Langwarrin. Our groups was fortunate to have played at the recent RSL VIC Hall of Fame Awards Night at the Frankston RSL, when a piper and drummer played for the colour party as they paraded our national flags into the function. Amidst these events, we also ran a very successful sausage sizzle at Frankston Bunnings. Coming up in January we are providing a mini band - 3 pipers and 1 snare drummer, to Cranbourne Lodge's Rabbin Burns night. We have been playing at this function for 33 years with, naturally, a significant change in personnel over this time and have only missing one year due to Covid.

Our learners continue to improve, although learning to play bagpipes, or Pipe Band style of snare drumming, is quite demanding and does take time to master the instrument.

We also continue to work on increasing our repertoire without losing the pleasure of being part of a close knit group of friends.

Please get in touch if you are interested in learning to play bagpipes or drums, or in booking the band for an event - as we can bring something special to the occasion.
