OKTOBERFEST

SATURDAY 20TH SEPTEMBER

Why travel to Europe to enjoy Oktoberfest when you can celebrate this world-renowned beer festival that's been going strong since 1810, right here at the Frankston RSL!

The event will be held in our most chilled space CPs - Restaurant & Function Space that will be decorated Bavarian style, with long beer hall tables if you feel like making new friends, or snag one of our cosy cabanas or sunken lounges to hang with your besties.

We've also got live German music with 'The Schunkel Oompah Band' to entertain from 1.30pm!

Merrily rock side to side to the traditional German beats while you sip from your take home beer stein and practice your best pronunciation of 'Prost' - that's cheers in German.

Try our very own Oktoberfest Kolsch that we are brewing this year in conjunction with Mountain Goat Brewery. There will also be Weihenstephan Hefe German beer for you to enjoy, in addition to German style locally brewed Oktoberfest Marzen from Bridge Road Brewers.

Plus, our Chef will be whipping up traditional German beer hall culinary fare, available as discounted food and beverage bundles when pre-ordered before the event or will be sold separately on the day.

OKTOBERFEST

SATURDAY 20TH SEPTEMBER

This September we are bringing the Oompah-pah on Oktoberfest with an Aussie slant of course, and a little bit of Munich to the club, so, dust off the lederhosen, practice a few Bavarian phrases, and bring your thirst to the Frankston RSL.

WHAT'S OKTOBERFEST ALL ABOUT?

Oktoberfest began as a wedding celebration more than 200 years ago when Bavaria's Crown Prince Ludwig married Princess Therese of Saxony-Hildburghausen on Oct. 12, 1810. The wedding was celebrated with multiple days of drinking, feasting and horse races. The celebration then became an annual event.

Where is it celebrated?

Oktoberfest celebrations can be found all over the world, but the main event is in Munich, Germany, where the first Oktoberfest was held. It officially starts in mid September, taking advantage of the longer and warmer European summer days and ends the first Sunday in October.

How is it celebrated?

Oktoberfest is a celebration of German culture, music, food, and (of course) beer. In fact, roughly 28 million litres of beer are consumed each year at the Munich Oktoberfest alone and the only beer served at the event comes from the original six Munich breweries. Additionally, only traditional Bavarian music is played throughout the festival and you can catch people in traditional Bavarian clothing, such as dirndls and lederhosen.
